We wish to express our appreciation to each one who has made our annual possible.

To the merchants of Carlton, Hamilton, Hico, Olin, and Dublin who bought ads.

To the patrons of our school who co-operated with all of our projects.

To the students and teachers of Carlton High School who contributed their interest and support.

To the annual staff who worked so faithfully to produce a picture of the school year of 1949-1950.
